I have received a copy of this application, the school catalog, a schedule to fees and have had a tour of the facilities. I understand that books are loaned to the students and will be returned to the school. Students will be charged for books on loan that are not returned. Once charged, the student will receive a credit equal to the documented cost if the books returned are in good condition. Diplomas and Certificates will be issued upon completion of the program and full payment of fees. No one representing the school has made any oral statements or promises to me which are inconsistent or conflict with either the school catalog or any document I have signed in connection with my application for enrollment.

No interest is charged to students who make payments to the school to meet their functional obligations.

Cancellation Policy

A full refund will be made to any student who cancels their enrollment contract within 72 hours (until midnight of the third day excluding Saturdays, Sundays, and legal holidays) after the enrollment contract is signed and a tour of the facilities and equipment is made by the prospective student.

Refund Policy

Refund computations will be based on scheduled clock hours of class attendance through the last date of attendance. Leaves of absence, suspensions, and school holidays will not be counted as part of the scheduled class attendance. The effective date of the termination for refund purposes will be the earliest of the following: (a) the last day of attendance, if the student is terminated by the school; (b) the date of receipt of written notice from the student; or (c) ten school days following the last date of attendance.

If tuition and fees are collected in advance of entrance, and if after expiration of the 72-hour cancellation privilege the student does not enter school, \$100 shall be retained by the school. If the student who enters a residence course of not more than 12 months in length terminates or withdraws after the expiration of the 72-hour cancellation privilege, the school may retain \$100 of the tuition and fees and the minimum refund of the remaining tuition and fees will be: (a) during the first week or one-tenth of the course, whichever is less, ninety percent of the remaining tuition and fees; (b) after the first week or one-tenth of the course, whichever is less, but within the first three weeks or one-fifth of the course, whichever is less, eighty percent of the remaining tuition and fees; (c) after the first three weeks or one-fifth of the course, whichever is less, but within the first quarter of the course, seventy-five percent of the remaining tuition and fees; (d) during the second quarter of the course, fifty percent of the remaining tuition and fees; (e) during the third quarter of the course, ten percent of the remaining tuition and fees; and (f) during the last quarter of the course, the student may be considered obligated for the full tuition and fees.

The student will not be required to purchase instructional supplies, books and tools until such time as these materials are required. Once these materials are purchased, no refund will be made.

The length of a course for purposes of calculating refunds owed is the shortest scheduled time period in which the course may be completed by continuous attendance of a full-time student.

A full refund of all tuition and fees is due and refundable in each of the following cases: (a) the school does not accept an enrollee; (b) if the course of instruction is discontinued by the school and this prevents the student from completing the course; or (c) if the student's enrollment was procured as a result of any misrepresentation in advertising, promotional materials of the school, or representations by the owner or representatives of the school. Refunds will be totally consummated within 60 days after the effective date of termination.
